

FCM Frederic Capital Management is an established and independent private markets investor based in Düsseldorf and Luxembourg. We pursue a diversified investment approach with the overarching goal of sustainable long-term growth in the value of our direct and indirect investments.

To meet this goal, we invest in the private market asset classes Private Equity, Infrastructure and Private Debt.

We are currently recruiting for the position of

Associate Private Equity (m/w/d)

Key Responsibilities

- Support of private equity co-investment processes
- Involvement in the sourcing of investment opportunities
- Independent evaluation of new investment opportunities
- Preparation of investment analyses and memorandums for investment committees
- Monitor the existing private equity co-investment portfolio and liaise with lead investors
- Contribute to periodic investor reports and respond to ad-hoc queries

Candidate Profile

- Bachelor's or master's degree
- Relevant practical experience (1-3 years) in Transaction Advisory, M&A or Private Equity
- Fast apprehension and the ability to work independently, diligently and collaboratively in a team environment
- Fundamental understanding of private equity transactions and initial experience with financial modelling
- Proficiency in MS Office
- Strong English and German communication skills (spoken and written); further foreign languages desirable

What we offer

- Collaboration with leading Private Equity Sponsors worldwide
- Engaging tasks with high levels of responsibility in a dynamic organisation
- Flat hierarchies and autonomy
- Growth opportunities within a performance-oriented environment
- A wide range of development opportunities
- A modern workspace in the heart of Düsseldorf CBD with good transportation links

You bring a high degree of commitment and enthusiasm and like to work in a team?
Then we would be delighted to get to know you!

Please forward your application documents to hr@fcm-invest.com.
